Integrity is the essence of everything successful.
~ R. Buckminster Fuller

COLA CHHS COLSA

Responsible Conduct of Research (RCR) Program Goals

✓ Raise the consciousness of faculty, staff, and students regarding the ethical and responsible conduct of research and scholarly activity,

✓ Establish a knowledge base that defines normative and/or professional behavior to assist faculty, staff, and students in making ethical and responsible decisions in the conduct of research and scholarly activity, and

✓ Foster an institutional culture of integrity in research and scholarly activity.
