

Problem

Mike
Milton MA | Carpenter

“Over the last year, I have had several undesirable clients. At first, I thought it was something I was doing wrong. But after talking with fellow contractors, this seems to happen a lot. It really depresses me. I mean, you go out of your way to do the very best you can, using quality tools and materials, only to get paid in six months or not at all.”

Solution

Clientype Lets You Search And Review Clients
